On behalf of the CARE Advisory Board, Judicial Advisory Board and Circuit Council, I want to thank you and the band GOODING for your outstanding contributions to our inaugural CARE Financial Literacy Conference, held September 11-13, 2014, at the Four Seasons Resort and Club Dallas at Las Colinas, in Irving, Texas. This was our first collaboration with FtF and GOODING, and we were absolutely delighted with the outcome.

On the morning of September 12, we coordinated a joint CARE/FtF presentation to more than 1,500 amassed Irving ISD students at the Jack E. Singley Academy, to great acclaim from teachers and students alike. The band's energy and upbeat message clearly resonated with the kids. The band rocked! GOODING was extremely easy to work with, and customized the length and content of their performance to compliment that of our founder Hon. John C. Ninfo, II.

Later in the conference the band shared their message and musical talents with the 100 financial literacy professionals, educators, CARE volunteers and bankruptcy Judges and practitioners attending the Conference. GOODING himself attended several of the workshops. I received numerous compliments on the band's professionalism, unique vision, and commitment to financial literacy education.

We look forward to working with Funding the Future again very soon!

Sincerely,

John C. Good
Director
