Carter Hulse

Dear Carter:

Happy holidays!

Happy holidays to you. On behalf of the Office of the Secretary of State of Georgia, I would like to personally thank you for your passion towards educating the youth about financial literacy. We were honored and thrilled to partner with Funding the Future and our sponsor schools in Cobb and Gwinnett County. It is amazing that you were able to accomplish 10 shows in 4 days, educating more than 3,300 students.

I am grateful that we share this vision and have been able to combine our resources. I look forward to more opportunities in 2023 with Funding the Future.

Please do not hesitate to reach out to me or my office. We greatly appreciate you.

Sincerely,

Brad Raffensperger  
Secretary of State
